Look What’s Happening at TO....

Church Family,

As you know, next we will be having a brunch on the patio from 9:15-10:30am. We would like to open this to the community free of charge in order to celebrate the resurrection of Christ together. This will take some assistance in many ways.... We need help by way of food and monetary contributions, donation of your time and hands to set up, prepare food, and clean up after the event in order that we can all partake and enjoy together. The following is a “Wish List” of needs:

Wish List

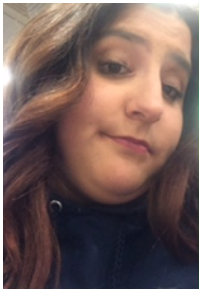

- ☐ Pastries, muffins, baked goods, etc.
- ☐ Fresh strawberries
- ☐ Fresh berries
- ☐ Fresh melons
- ☐ Fresh papayas, kiwis, mangos
- ☐ Fresh seedless grapes
- ☐ Fresh salsa
- ☐ 6-10 fresh ears of corn on the cob
- ☐ ***Everyone’s assistance in cleaning up after the church service***

Donated items will need to be delivered to the church kitchen by 4:00pm this Friday. If you can help provide any of these items, please contact Gaylene Clark by calling or texting (805) 350-2203 so that we can coordinate items and plan accordingly for our needs. Thank you so much, Church Family. Please invite your friends, neighbors and family to celebrate with us. We look forward to celebrating and worshipping with you next Sabbath.

Answer to last week’s GUESS WHO....

Skye Mansfield

Skye Mansfield was born at Los Robles Hospital and grew up in the community. Living in the same area for so long has brought her two of her closest friends, one of whom (Maddy) she has known since Maddy’s birth and the other (Allison) she has known since the 6th grade. Skye has always been drawn to children. She used to look after her cousin’s kids until they moved away. Through a neighbor, she began watching another little girl, but they also moved away. More recently, she was asked to watch Damian, the lively and energetic son of her brother’s friends. Not too long after she began watching Damian, his baby brother, Otto, arrived and so Skye began taking care of Otto since he was about 2 months old. It was an obvious choice for Skye to major in Child Development at Moorpark College. While at Moorpark, Skye needed to find an elective and so she opted to take a Walking class to increase her credits. Her ideal career would be to work at Conejo Adventist Preschool. She also enjoys bowling and even joined a bowling league. Some of Skye’s fondest memories have been when her family would go to Disneyland for birthdays. To this day, Disneyland is one of her favorite places to visit and she hopes to visit all of the Disney parks in her lifetime. Skye attended the Thousand Oaks SDA Church as early as she can remember. She attended Newbury Park Adventist Academy her sophomore year. She recalls a Week of Prayer experience there that was especially inspiring for her. She was baptized by Bible teacher, Fernando Rossi her junior year of high school. Most of Skye’s faith is inspired by watching her mom and dad and “Aunt Wendy” (Brizendine). She sees the incredible life challenges that each of them have gone through and the way that they have kept their faith in God and even strengthened their faith during those difficult situations, time and time again. She was also profoundly impacted by her best friend Maddy’s grandmother, who continually praised God and saw His Hand of comfort and support while watching her own son (Maddy’s uncle) pass away from cancer. Skye is very close to her mother (Candy) and is amazed how her mom can continually go to work each night pulling the night shift in order to support their family, even through the most difficult of days as Skye’s father is awaiting a heart transplant. Skye’s family unit is very strong and extends its boundaries to include others who also draw strength it. The outreach of love Skye and her family offer so freely is a wonderful representation of Christ’s love and hope for His family.
